1. What is Flexi Housing Loan (FLX HL)/ Flexi Term Loan (FLX TL)?

- This facility is calculated on a variable rate basis and you are offering your property as a security to the Bank.
- It offers flexibility on deposit and withdrawal of the available balance from the flexi current account (FLX CA) at any time while enjoying loan interest savings by linking your FLX CA to the FLX HL / FLX TL account.
- The available balance held in the FLX CA at the end of each day will be utilized to set-off the FLX HL / FLX TL end day outstanding balance, subject to "interest offset limit", whichever is lower.
 - Interest Offset Limit will be capped at 70% of the total loan outstanding balance.
 - The Net Loan Balance will be charged at the effective interest rate of the loan.
