

## Online e-Pocket Account Opening in the Comfort of Your Home

The advertisement features the Bank of China logo and name in Chinese and English. The main headline reads 'Online e-Pocket Account Opening in the comfort of your home' with the Chinese translation '在线开户易钱宝，居家管理无烦恼' and the tagline 'Banking mobility in your pocket 一切尽在您掌控之中'. A central illustration shows a man in a green shirt and blue pants standing on a blue sofa, reaching up to catch floating icons for UnionPay QR, DuitNow QR, and IBG. To his right, a large smartphone displays the app interface, including an 'IDENTITY CARD' section, a 'Capture MyKad & Selfie' prompt, a user profile, and a 'SUCCESSFUL' confirmation message. The e-Pocket logo is also visible on the phone screen. At the bottom left, it states '\* Terms and Conditions apply. 须符合规则与条件。' and at the bottom right, it provides the bank's details: 'Bank of China (Malaysia) Berhad 200001008645 (511251-V)'.

The pandemic season makes it hard for everyone to travel to the bank. Imagine multiple banking actions at your fingertip, whenever and wherever you are. From the moment you open your e-Pocket account, we make every step easy and secure for you.

No queue, no hassle, just open your e-Pocket account online via Bank of China Mobile Banking App in the comfort of your home. All you need is your MyKad for application and approximately 10 minutes of your time. This e-Pocket is an e-money account that is integrated with an electronic Know Your Customer (e-KYC) solution to safely verify and authenticate customers' identities in the process of account opening. Once your e-Pocket account is opened successfully, you can start making any transaction immediately without a grace period and you can maintain the account balance up to a maximum amount of RM5,000!

Unlike a savings account with a physical debit card, you can save your wallet space with the Virtual UnionPay Debit Card that you will receive upon e-Pocket account opening. You can access and enjoy personal financial services at any time and anywhere. With your e-Pocket account, you can check your bank account details, make fund transfers via DuitNow/IBG to any bank and mobile numbers as well as pay your bills with JomPay, and easily make purchases at your favourite e-commerce sites. e-Pocket also supports UnionPay QR Code cross-border payment so you can easily scan and pay UnionPay merchants in China, Hong Kong, and other available international or regional UnionPay merchants worldwide. You can also use e-Pocket with DuitNow QR for cashless and contactless payment transactions.
