

# MSIG TRAVEL ADD-ON COVID-19 BENEFIT

19 May 2025

Dear Valued Business Partners,

## **Discontinuation of Travel Add-On: COVID-19 Benefit**

We wish to inform you of an important update regarding our **Travel Add-on: COVID-19 Benefit**.

Effective 1 May 2025, the Malaysian government has revoked the COVID-19 'Infected Local Areas Extension Order', marking a significant milestone after over 5 years of preventive measures and efforts to combat the pandemic.

## **Impact of the Order Revocation**

- 1) Following the revocation, COVID-19 will now be treated as a normal communicable disease like influenza (flu) which is covered under our TravelRight Plus insurance policy.
- 2) The **Travel Add-On: COVID-19 Benefit** will be discontinued with effect from 1 June 2025 for:
  - TravelRight Plus Insurance Policy - Single Trip (New Policy)
  - TravelRight Plus Insurance Policy – Annual Cover (New and Renewal Policy)
  - TravelRight Domestic (Inbound) Insurance (New Policy)

This decision aligns with the latest updates and our commitment to providing the most relevant and necessary services to our customers.

We understand that this change may require adjustments on your part, and we appreciate your cooperation and understanding.

## **Marketing Materials**

Please be advised that softcopies of the latest TravelRight Plus and TravelRight Domestic (Inbound) marketing materials will be available on the MSIG website effective from 1 June 2025. Kindly ensure that you are using the latest versions of marketing materials.

## **GenLink System**

The latest revision will be reflected in GenLink from 1 June 2025.
