UNIT TRUST

信托基金

Disclaimer: Investors are advised to read and understand the content of the prospectus before investing. Among others, investors should consider the fees and charges involved. The price of units and distributions payable, if any, may go down as well as up. Where past performance is quoted, the past performance of a fund should not be taken as indicative of its future performance. Where unit trust loan financing is available, investors are advised to read and understand the contents of the unit trust loan financing risk disclosure statement before deciding to borrow to purchase units. Where a unit split/distribution is declared, investors are advised that following the issue of additional units/distribution, the NAV per unit will be reduced from pre-unit split NAV/cum-distribution NAV to post-unit split NAV/ex-distribution NAV. Where a unit split is declared, investors should be highlighted of the fact that the value of their investment in Malaysian Ringgit will remain unchanged after the distribution of the additional units. Unit trusts are not protected by PIDM.
