NOTES TO UNAUDITED CONDENSED INTERIM FINANCIAL STATEMENTS FOR THE THREE MONTHS ENDED 31 MARCH 2012

1 Review of Performance and Commentary of Prospects

The Bank's profit before taxation for the three months ended 31 March 2012 was lower as compared with the corresponding period in 2011 mainly due to additional collective impairment provision made as a result of loan growth of 50% especially loans in Renminbi. Despite of the aggressive loan growth, the Bank continued to exercise prudence risk management. At the same time emphasis will be placed on the development of other Renminbi business and other conventional commercial banking products.

2 Group Accounting Policies

The unaudited condensed consolidated interim financial statements for the three months ended 31 March 2012 have been prepared in accordance with MFRS134 Interim Financial Reporting issued by the Malaysian Accounting Standard Board ("MASB"). The unaudited interim financial statements should be read in conjunction with the audited financial statements of the Group and the Bank for the financial year ended 31 December 2011.

The accounting policies adopted by the Bank for the interim financial report are consistent with those adopted in the audited financial statements for the financial year ended 31 December 2011.

Since the previous annual audited financial statements as at 31 December 2011 were issued, the Group has adopted the Malaysian Financial Reporting Standards ("MFRS") framework issued by the Malaysian Accounting Standards Board ("MASB") with effect from 1 January 2012. This MFRS framework was introduced by the MASB in order to fully converge Malaysia's existing Financial Reporting Standards ("FRS") framework with the International Financial Reporting Standards ("IFRS") framework issued by the International Accounting Standards Board. Whilst all FRSs issued under the previous FRS framework were equivalent to the MFRSs issued under the MFRS framework, there are some differences in relation to the transitional provisions and effective dates contained in certain of the FRSs.

The Group and the Bank have adopted the transitional provisions under the Amendments to FRS 139 "Financial Instruments: recognition and measurement" and the collective assessment impairment allowance of the Group and the Bank have been determined based on the transitional arrangement issued by BNM.

3 Audit Report

The audit report for the financial period ended 31 December 2011 was not subject to any qualification.

4 Seasonal or Cyclical Factors

The business operations of the Bank have not been affected by any material seasonal cyclical factors.

5 Exceptional or Extraordinary Items

6 Changes in Estimates

There were no material changes in estimates of amounts reported in prior financial years that have a material effect in the three months ended 31 March 2012.
